## PRODUCTS

All new Radio purchased from an Icom Canada authorised dealer are covered by a 2 Year Warranty, except for **Amateur transceiver** which are covered by a 3 Year Warranty.

### COUNT ON US!

Today, Icom is regarded as one of the World's leading radio manufacturers. The extensive ranges of products are designed to the highest specifications and include base-station, mobile and handheld units covering many frequency bands. Icom has radios designed specifically for the Avionics, Amateur, Land Mobile, Marine, Receivers and FRS markets. Extensive Research & Development facilities enable Icom to design, develop and customise equipment to specific needs. The highly skilled technicians and engineers work in a strictly controlled, quality oriented environment and Icom is among only a few radio manufacturers to carry ISO9001 accreditation. All Icom products are compliant with relevant radiation and radio frequency regulations and specifications, reducing interference and improving safety.
